## GREYFRIARS OUTREACH LIMITED

### SCALE OF LICENCE CHARGES FOR USE OF KIRK FOR MUSIC CONCERTS, DRAMATIC / OPERATIC PRESENTATIONS AND RECORDINGS

## 1 JANUARY - 31 DECEMBER 2020 (REV JAN 19)

'Normal rate' applies to all bookings by UK and non-UK professional companies unless promoters are eligible for a lesser rate. 'Amateur rate' applies to promoters where the majority of performers are not paid for their services (eg UK choral societies, UK amateur orchestras). 'Schools rate' applies to concerts promoted by UK educational establishments where the majority of performers are members of that establishment and where no fees are paid to performers for their services.

A reduced charge at the 'Schools rate' is available on request for specific fundraising concerts or events where the proceeds are to benefit a specific UK charitable organisation apart from the promoting agency. Acceptance of such bookings is at the discretion of the Company.

Discounts on the daily fees below are available to professional, amateur music societies and schools for two or more bookings in a calendar year; details are available from the Operations Manager.
