

Weekly Notes and News

Services and recordings are available on the Kirk's website and social media. Notes to help access these are included at the end. Please share with people you know if these help.

The **Minister**, Richard Frazer, or the **Associate Minister**, Ken Luscombe, are happy to meet anyone to discuss any matter, whether you are a member or not, please contact either:

- Richard on 07715 069 041 or by email at minister@greyfriarskirk.com, or

Sunday, 3 May – 11am service

The service will be available shortly before 11am, so we can all enjoy this together at the usual time. You can access the service either on the Kirk's online services website here:

www.greyfriarskirk.com/online-services/

Also available on Facebook (@GreyfriarsKirkOfficial) and Twitter (@greyfriars_kirk).

Donations

With the church building closed to outside activity we are totally dependent on the generous financial support of our members, regular attenders and friends. We cannot circulate the usual offering plate but the virtual alternative is through the Donate button on the kirk website. Here is the direct link:

www.paypal.me/greyfriars400

Although the headings refer to Greyfriars 400 and Greyfriars Outreach, the money will be used for the same general Greyfriars Kirk purposes as our regular offerings - meeting our fixed costs of ministry and mission, and the unavoidable costs of the building and of staffing. Many thanks.

Pastoral Care at Greyfriars Kirk

Pastoral care is integral to the life of our church – it's what we do! Thank you to those who have got in touch to give or receive support and enjoy continuing companionship, albeit mostly by telephone.

If you are experiencing difficulties or know of someone who is, please don't hesitate to let the ministry team know. Greyfriars has a friendly, active pastoral care group ready to respond whether a safe place, a listening ear, some practical help or simply company is sought.

Remember, you don't need to be at your wits end to reach out.

The ministry team can be contacted by phone or email as detailed above. Confidentiality is assured.

Online Poetry Event coming up and more

We are organising some events online over the coming weeks – a poetry evening, chat over cups of tea etc. If you would like to receive weekly Greyfriars community news and hear about these online gatherings, please let us know.

You can give us your name, telephone number, email and any comments or questions you have using the “contact us” form on our website.

Don't forget...

You can access previous services and orders of service, community notes and news, audio recordings and more through our online community & worship hub. We are adding to this each week:

Do you have a favourite hymn? We would love to hear what it is.

Are you enjoying our services and community? We would love to hear what you think.

Are you enjoying hearing about Richard's pilgrim adventures on the way to Santiago de Compostela? We hope so!

All available on the community & worship website page.

Services Next Week

Each week Greyfriars Kirk will continue to provide services online, shortly in advance, for many of us to come together in worship at the usual times:

- Main Service, Sunday 11am
- Mid-week Prayers & Reflection, Thursdays 1:10pm

Kirk Closure

In line with Government policy and to help keep us all safe and well, the Kirk is now closed until further notice. We will advise when this changes, in line with Government advice.

Instructions – How to Access Services on the Greyfriars Kirk Website

These instructions assume that you have a computer, smart telephone or other device that will allow you to access the internet.

This guide uses red circles to highlight some things. If you have difficulty with colour-blindness, contact communications@greyfriarskirk.com and we will send you an alternative guide.

We are looking at ways to get services and material out to those who do not have access to the internet. If you know anyone who is feeling isolated during these difficult times, please let our pastoral team know (as above).

How to access services online:

1. Open your internet browser, for example Internet Explorer, Mozilla Firefox, Google Chrome (icons below). There are many types of browser available, you should be able to continue to the Kirk's website using any. These are just examples.

2. Go to the Kirk's website using the following address.

<https://greyfriarskirk.com/online-services/>

You may be able to simply click on this link using your mouse or you may need to type the address into the top bar of your internet browser, as shown below.

3. Once you have opened this page, you should see a page that looks like this (do not worry that the text in the picture below is small and may be unreadable, this picture is just to help you see what the page looks like):

4. To select the service you would like to listen to, click on the title as shown in the picture below. For example, to access the service on Sunday 19 April select:

5. You will then see a page that looks like this (below).

If you click on the “play” button, in the red circle on the left below, this will start the service for you to enjoy. You can click on the other icon highlighted to the right below, if you would like the service to become “full screen” i.e. larger in size.
