Not able to make the most of your garden?

We match older people with garden space to share with volunteers looking for space to grow vegetables.

If you'd like to meet someone new in your local area and see your garden come to life, get in touch with Edinburgh Garden Partners today! 0131 3470529

The benefits

develop a rewarding relationship
with your garden partner

make a positive contribution to your
community

boost your health and well being
through greater enjoyment of your
garden

share your interest in growing and
gardening

enjoy freshly grown produce with
your garden partner

Funded by

Edinburgh Health and
Social Care Partnership
